NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Monday, September 8, 2025:

MINUTE entry before the Honorable Gabriel A. Fuentes: The Court has reviewed the parties' status report (doc. # 68), and the Court construes the report as a joint motion to set only initial discovery dates pending the district court's ruling on Defendant's fully briefed motion to file an amended complaint. That motion is granted in part and denied in part. The Court grants the parties' motion to set Rule 26(a)(1) disclosures to be issued on or before 9/19/25 and initial written discovery to be issued by 10/3/25, but the Court denies the parties request to push the next discovery related hearing until later in November. Instead, the Court sets a status hearing for 10 a.m. status call on 10/8/25 in Courtroom 1342 of the Dirksen U.S. Courthouse. The parties should be prepared to set dates for further discovery, including the close of fact discovery, at that time. (ec,)
